

Position Description: Sales & Community Engagement

Position: Sales & Community Engagement

Relevant Fields: Sales, Marketing, Business Development, Communications

Start Date: February 2021

Location: Banteay Meanchey and Phnom Penh

Full-time – short term with potential for ongoing work

About TapEffect:

TapEffect is increasing access to affordable clean tap water for households across Cambodia. TapEffect is looking to expand our team with a salesperson for short term work in Banteay Meanchey, (Kouk Ballangk commune).

The position consists of presenting our newly constructed tap water system to households and getting sign ups so that households can benefit from clean water supply.

About the Position

The right person for the role is someone that is comfortable talking to an audience (usually small groups of 10 people or directly with individual households), with great communication, sales and organisational skills. The position includes:

- Presenting, promoting and selling household connections to our piped water system
- Keeping track of sign ups
- Achieving agreed upon sales targets and outcomes within schedule
- Organising meetings with local stakeholders
- Elevating customers complaints and feedbacks to management
- Developing sales strategies to acquire new customers

Qualifications

The ideal candidate has:

- Minimum bachelor's degree in related fields (sales, etc.)
- Excellent sales, communication and negotiation skills
- Good prioritizing, time management and organizational skills
- Relationship management skills and openness to feedback
- Khmer and a reasonable level in English
- Public speaking skills
- Experience in sales and marketing
- Microsoft software (Excel, PowerPoint, Word)

Additional Information

The role can commence immediately. Please send a brief cover letter and resume to Riz Aslam at riz.a@TapEffect.asia
